

COASTAL MARINE DEBRIS MONITORING PROGRAM

P A C I F I C W H A L E F O U N D A T I O N

Mahalo for participating in our community science coastal marine debris monitoring program. Please complete this data form (front and back) and return to a Pacific Whale Foundation retail location in Lahaina or Ma'alaea to redeem your free gift. You can also return this data sheet digitally by taking a picture of the front and back and emailing it to conservation@pacificwhale.org. The information collected will be used by our Research department to determine trends and sources of specific marine debris. We thank you for supporting our mission to protect the ocean through science and advocacy and to inspire environmental stewardship.

We love receiving photos of your beach cleanup moments. By submitting photos to Pacific Whale Foundation, you grant us the right to use them for outreach or educational purposes.
